

PEGASUS LEARNING ACADEMY

Platform User Guide

March 2026

1

Configure Your Academy

Start by setting up the foundation of your academy in the Settings page. This is where you define the core data that powers everything else — subjects, hourly rates, classrooms, and your academy information.

- Navigate to Settings from the sidebar menu
- Add your Subjects (e.g., English, Math, Science)
- Set Hourly Rates for each stream and level combination
- Define your Classrooms with capacity information
- Update your Academy Info (name, payment methods)

TIP

Payment methods you add here will automatically appear on invoices, so set up your bank details and PayNow information early.

The screenshot shows the 'Settings' page of the Pegasus Learning Academy. The left sidebar contains a menu with icons and labels for Dashboard, Schedule, Students, Tutors, Invoices, and Settings (which is highlighted). The main content area is titled 'Settings' and has a sub-header 'Subjects'. Below this is a table with columns for Name, Level, and Actions. The table lists various subjects and their corresponding levels. A '+ Add Subject' button is located in the top right corner of the table.

Name	Level	Actions
Additional Mathematics	Secondary	Edit Delete
Art	Secondary	Edit Delete
Biology	Secondary	Edit Delete
Chemistry	Secondary	Edit Delete
Chinese	All	Edit Delete
Combined Science	Secondary	Edit Delete
Computing	Secondary	Edit Delete
Design & Technology	Secondary	Edit Delete
Elementary Mathematics	Secondary	Edit Delete
English	All	Edit Delete
Food & Nutrition	Secondary	Edit Delete

2

Register Students & Tutors

Add your tutors and students to the system. Each student is linked to a parent (for invoicing) and assigned a stream and level.

- Go to the Tutors page and click "Add Tutor" to register your teaching staff
- Go to the Students page and click "Add Student" to enroll students
- For each student, specify their parent's name, stream (e.g., International, Local), and level
- You can view all parent contacts from the Parents tab on the Students page

TIP

Students and tutors can be set to Active or Inactive. Inactive records are hidden from scheduling but preserved for historical data.

The screenshot displays the 'Students & Parents' management page. On the left is a sidebar with the Pegasus Learning Academy logo and navigation links: Dashboard, Schedule, Students (highlighted), Tutors, Invoices, and Settings. The main content area has a title 'Students & Parents' and a date 'Monday, 9 March 2026'. Below the title are tabs for 'Students' and 'Parents'. A search bar labeled 'Search students...' is present. An 'Add Student' button is in the top right. The main table lists students with columns for Name, Stream, Subjects, Parent(s), and Actions. Two students are listed: Jamie Chan (Secondary 2) and John Lee (Primary 3). Jamie Chan's subjects are Additional Mathematics and Design & Technology, with parent James Chan. John Lee's subjects are English, Chinese, and Mathematics, with parent Matthew Lee. Each row has edit and delete icons in the Actions column.

Name	Stream	Subjects	Parent(s)	Actions
Jamie Chan	Secondary 2	Additional Mathematics Design & Technology	James Chan	
John Lee	Primary 3	English Chinese Mathematics	Matthew Lee

Sun, 8 Mar 2026	8:30 AM - 10:00 AM	Additional Mathematics	John Lee	Classroom 1	Jamie Chan	Secondary 2	1-to-1	Scheduled

4

Generate & Download Invoices

At the end of each month, generate invoices for parents based on their children's scheduled classes. The system automatically calculates totals from attendance records and hourly rates.

- Navigate to the Invoices page
- Select the month and year, then click "Generate Invoices"
- Review each invoice — line items show subjects, hours, and rates
- Use the Edit button to modify descriptions, adjust totals, or remove line items
- Use "Add Line Item" to append extra charges (e.g. materials, books) to an existing invoice
- Click the download button to export a professional PDF invoice with your academy logo

TIP

Invoices can be edited anytime before they are marked as Paid. Once paid, the invoice is locked.

The screenshot displays the 'Invoices' page of the Pegasus Learning Academy system. On the left is a sidebar with a navigation menu containing 'Dashboard', 'Schedule', 'Students', 'Tutors', 'Invoices' (highlighted), and 'Settings'. The main content area is titled 'Invoices' and includes a date filter set to 'Monday, 9 March 2026'. A '+ Generate Invoice' button is located in the top right. Below the title is a dropdown menu for 'All Statuses'. The main part of the page is a table with the following columns: Parent, Month / Year, Subtotal, Status, Created, and Actions. The table contains two rows: one for Matthew Lee with a subtotal of \$120.00, status of 'Draft', and creation date of 09/03/2026; and another for James Chan with a subtotal of \$360.00, status of 'Paid', and creation date of 08/03/2026. Each row has a set of action icons (eye, share, edit, download, delete) in the Actions column.

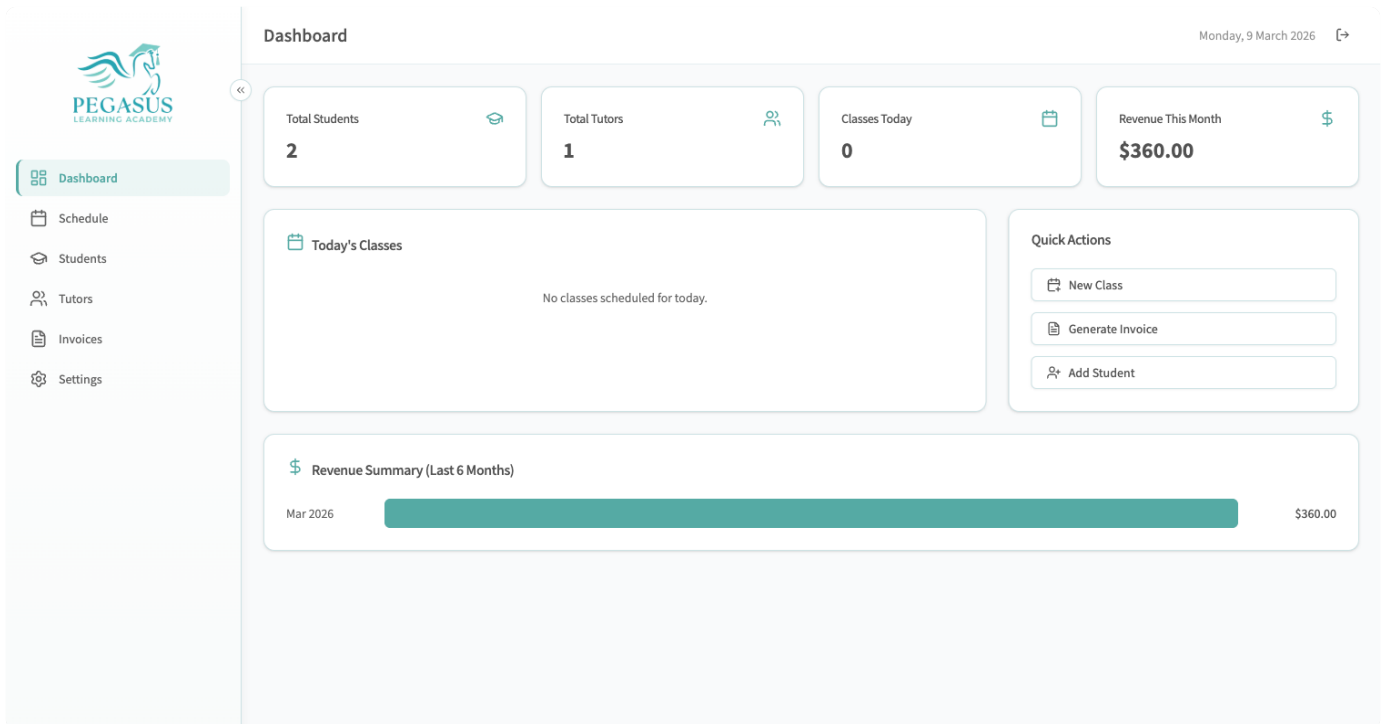

Parent	Month / Year	Subtotal	Status	Created	Actions
Matthew Lee	March 2026	\$120.00	Draft	09/03/2026	👁️ 📧 ✏️ ⬇️ 🗑️
James Chan	March 2026	\$360.00	Paid	08/03/2026	👁️ ⬇️ 🗑️

Monitor Your Academy

The Dashboard gives you an at-a-glance overview of your academy — active students, tutors, upcoming classes, and recent activity. Use it as your daily starting point.

- View total active students, tutors, and classes at a glance
- See today's schedule and upcoming classes
- Track monthly revenue and invoice status

MOBILE ACCESS

The platform is fully responsive. Access all features from your phone or tablet — perfect for checking schedules on the go or taking attendance in the classroom.
